UK price: £12.99

Overseas: Europe- £13.99 / Rest- £14.99

Released: 27th March 2006

- **Ritchie Blackmore's** integrity may occasionally seem strange, if not indeed doubtful to many a Deep Purple and Rainbow fan, but it shows that he is one of the best and most exceptional contemporary musicians in every respect.
- With his band, **Blackmore's Night**, featuring his partner, the vocalist Candice Night, Blackmore has certainly not broken with his previous creative forms of expression. Quite the opposite: the songs on his current album, *The Village Lanterne*, document unmistakably that there's still the rock musician inside him.
- Blackmore has not remained static in his development; he has allowed his penchant for medieval music, which already shone through on many of his hard rock compositions, to culminate in his very own, unique style of music. On *The Village Lanterne*, Blackmore's Night combine great vocal melodies, seemingly archaic instrumentations and virtuoso guitar parts with lyrics that allow the listener to dive deep into a mysterious, romantic world.
